Hospitals and Sanatoria—Permit Required. (Ord. 1229, June 25, 1912.)

SECTION 1. It shall be unlawful for any person, firm, or corporation as principal, agent, officer, servant, or employee to establish, conduct, or maintain in the city of Pasadena any hospital, sanatorium, or other place (not prohibited by section 373 of the Penal Code) for the reception, care, or treatment of any sick or diseased person, without having first obtained a permit therefor in writing from the board of health of said city.

SEC. 2. The board of health shall have power to issue permits for such hospitals, sanatoriums, or other places, and every such permit shall specify the name and residence of the person, firm, or corporation conducting the same and the street and street number where the same is located and shall be revocable for cause by said board of health in any case where the provisions of this ordinance are violated or in any case where in the judgment of said board of health such hospital, sanatorium, or other place is being managed, maintained, or conducted without due regard to the health, comfort, or morality of the inmates thereof and other persons who may be affected thereby, or without due regard to its proper sanitary or hygienic arrangements and appliances. Under no circumstances shall any such permit be issued by the board of health for any hospital or sanatorium which shall not be properly connected with a sewer, and which shall not have in use a properly equipped incinerator (for the destruction of refuse matter other than garbage) of a type approved by the board of health and which shall not have at least one isolation room which shall be used exclusively for isolating patients affected or thought to be affected with any contagious or infectious disease.

SEC. 3. It shall be lawful for the officers and representatives of the board of health at all reasonable times to enter and inspect such hospitals, sanatoriums, or other places.

SEC. 4. Any person, firm, or corporation who shall violate the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed \$300 or by imprisonment in the city jail for a term not to exceed 30 days or by both such fine and imprisonment.

Poliomyelitis—Placarding—Quarantine. (Ord. 1251, Aug. 13, 1912.)

SECTION 1. That ordinance No. 486 of the city of Pasadena be amended by adding thereto a new section, to be numbered VII (a), and to read as follows:

"SEC. VII (a). Whenever any person affected with anterior poliomyelitis, or infantile paralysis, is reported to the health office, the health officer, upon proving the existence of the disease, shall cause to be posted in a conspicuous place on the house or place occupied by such person a white card printed with black and yellow ink setting forth the fact, said card to remain 30 days or longer, and until after the premises have been thoroughly disinfected under the supervision of the health officer."

SEC. 2. That ordinance No. 486 of the city of Pasadena be amended by adding thereto a new section, to be known as No. XII (a), and to read as follows:

"SEC. XII (a). Whenever the prevalence in the community of a contagious or infectious disease shall in the opinion of the board of health necessitate such action, the said board may in its discretion order that all children of or under the age of 12 years shall be excluded from all public gatherings, playgrounds, and places of amusement, instruction, or entertainment."

PEORIA, ILL.**Garbage and Offensive Matter—Care and Disposal of. (Ord. July 30, 1912.)**

SECTION 1. Between the 1st day of May and the 1st day of November of each year no person or corporation shall load, carry, or transport any garbage, offal, swill, rubbish, manure, or other offensive or nauseous substance in any cart or vehicle in or through that section of the city of Peoria bounded by the following limits: Beginning at the Illinois River at the foot of Bridge Street, thence up Bridge Street to Franklin

Street, thence along Franklin Street to Perry Avenue, thence along Perry Avenue to Fayette Street, thence along Fayette Street to the Illinois River, thence along the Illinois River to the place of beginning, except between the hours of 7 p. m. and 8 a. m., nor shall they drive any empty cart or vehicle used for collecting and carrying above-named substances through any part of said section of the city except between the hours of 7 p. m. and 8 a. m. Permission, however, is hereby given, at all hours of the day, to drive vehicles loaded in the remainder of the city with above substances down Washington Street and Franklin Street to Bridge Street and down Bridge Street to the river, and to drive their empty vehicles returning the same way.

SEC. 2. The producers of garbage, offal, and swill who are located in that part of the city described in section 1 shall provide water-tight metal receptacles holding not to exceed 15 gallons and with close-fitting covers, in which they shall deposit and store their garbage and other said substances, until removed by garbage collectors. The said receptacles shall be placed in the alley where at all possible; otherwise they shall be placed on the sidewalk in front of the premises of the producer at the curb line, but said receptacles shall not be allowed to remain upon said alley or sidewalk between the hours of 8 p. m. and 7 p. m., and said receptacles must be frequently disinfected by the producer so as not to emit any objectionable odor.

SEC. 3. Any person or corporation who shall violate any of the provisions of section 1 or section 2 of this ordinance shall be fined not less than \$5 nor more than \$200 for each offense.

SEC. 4. All ordinances or parts of ordinances in conflict with this ordinance, except any ordinance now in force relative to the collection and disposal of night soil, be, and the same are hereby, repealed.

SEC. 5. This ordinance shall be in full force and effect from and after its passage and due publication according to law.

PLAINFIELD, N. J.

Stables and Disposal of Manure. (Art. 5, Sanitary Code, Bd. of H., Sept. 6, 1912.)

SECTION 1. Every owner, agent, lessee, tenant, or occupant of any stable, stall, or apartment in which any horse or any other cattle shall be kept, or any place in which any manure or any solid or liquid discharge or excrement may collect or accumulate, shall at all times keep or cause to be kept such stables, stalls, or apartments and the drainage yard and appurtenances thereof in a clean, healthful, and wholesome condition. In all cases in which this board shall by written notice so require, all manure or excrement shall be removed from all stables and premises where it may accumulate, as often as once a week.

SEC. 2. Every stable or apartment in which any horse or any other cattle shall be kept shall be provided with a properly covered manure vault, or water-tight bin, of sufficient capacity to care for all manure which may accumulate in said stable or apartment, or on said premises; said vault or bin shall be made fly proof and shall be properly ventilated. Manure shall not be allowed to accumulate except as provided above, without a written permit from this board of health.

SEC. 3. Between the 1st day of May and the 1st day of October in each year manure used for fertilizing purposes or otherwise shall not be conveyed through the streets, shipped, nor received in the city of Plainfield without a written permit from this board of health, nor shall any such manure be conveyed through the streets of this city at any time unless the same is adequately covered by tarpaulin or other suitable covering.

SEC. 4. Any person or persons or corporation offending against any of the provisions of this article shall, on conviction thereof, forfeit and pay a penalty of \$10 for the first offense and for each subsequent offense the sum of \$25.
